

45 01-D-08 Easy Go single-counter spanned service for citizens.

The plan is to provide the public with the information of application process and progress of the cases which could significantly save time waiting in line.

The newest service even upgrades to lift regional restrictions in application. Citizen living in wherever can go for business in the nearest district office from their homes, no longer need to rush about these business from the district office to home so that save time and cost of transportation.
