

75 16-D-03 Taichung City government tender projects oversight and evaluation system

1. Urge departments to report the progress of bidding projects through internet monthly in order to achieve the goals of energy saving and carbon reducing.
2. The average number of cases in Taichung City government is 2000 per year. There is a sheet of paper saved each month of one project so that 24,000 sheets of paper will be saved per year.
