

FREE CURBSIDE COLLECTION FOR BATTERIES, CELL PHONES AND CFLS*

**Free to All Customers with Cart Service*

Directions for Battery and Cell Phone Collection:

- California prohibits the disposal of batteries in the trash.
- Household batteries (AAA, AA, B, C, D and small button batteries), including rechargeable and cell phone batteries, can be recycled.
- Place batteries in a clear plastic bag, seal shut and place on the top of the gray recyclables cart.
- Place old cell phones in a clear plastic bag, seal shut and place on top of the gray recyclables cart.

Directions for CFL Bulb Collections:

- Compact Fluorescent Light (CFL) bulbs do not belong in your trash cart. They contain mercury and are a household hazardous waste.
- Call (510) 613-8710 for your free Vaporlok Foil Bag ("bag").
- Place up to 6 used, unbroken CFLs inside the bag, and keep sealed at all times.
- Place bag on top of the gray recyclables cart.

***For broken bulbs, follow the EPA's clean-up instructions: www.epa.gov/mercury/spills.*

WHAT TO DO WITH HOUSEHOLD HAZARDOUS WASTE

For Information on Household Hazardous Waste and Other Drop-Off Locations, Visit www.household-hazwaste.org or www.albanyca.org

Nearest Drop-Off Location:

Oakland Facility
2100 East 7th Street
Oakland, CA 94606

Call (800) 606-6606 for dates and hours of operation.

Household hazardous waste (HHW) materials such as paints, pesticides, fertilizers, propane tanks and cleaners are not allowed in any of the trash, recycling or organics containers. These HHW materials can be dropped off at participating locations. As a new service, you can recycle batteries, CFL bulbs and cell phones curbside (see reverse for instructions). Visit www.household-hazwaste.org or call (800) 606-6606 for more information.

Materials Accepted

- Paint
- Motor Oil
- Pesticides
- Household Cleaners (including Bleach)
- Sharps
- Fluorescent Tubes
- Expired Medication

Who Can Come

Alameda County residents. Please bring proof of residency with you (driver's license, tax bill or utility bill).

How to Package

All materials must be packaged in sturdy, non-leaking, closed containers. No individual container may be greater than 5 gallons or 50 pounds in size. Do not mix different wastes in the same container.

How Much

State law limits the total amount you may transport in one vehicle to 125 pounds or 15 gallons. Wastes must be transported by a resident of the household which generated the waste.
