

# WHERE are the potential sites?

**FOUR STREET SITES** have been proposed by community members in recent neighbourhood discussions as candidates for street-to-park conversions. There are a number of designs, functions, and physical features that are possible for each of these spaces. Neighbourhood residents participate by identifying sites, sharing how they would like to use these spaces, how they might contribute to the community, and what attributes should be considered.

**SITE 1**

LANEWAY  
4th AVENUE  
WATERSHED  
KRANKY CAFE  
ARTWORKS - 237 E. 4th Ave
